

HONORABLE Judge: Paul L. Maloney

Happy Holidays to you and your family.  
I RECEIVED A letter/motion today dated 12/15/21  
REQUESTING my RESPONSE within 21 days.

YES, I WAS OFFERED to TAKE the VACCINE shot  
AND I declined BECAUSE my FRIEND (in here with me)  
MAICO SOLARTE took the VACCINE shot and  
immediately got sick, he WAS Rush to the hospital  
A WEEK later AND died two weeks later.

I BEEN SCARED of the VACCINE shot since then.  
IF WE WENT to the hospital to take the VACCINE  
I would take it. I just don't trust it, in here.

Judge MALONEY, I do WANT the VACCINE shot BUT,  
im SCARE to take it in here.

I don't go EAT at the kitchen because,  
we be to close to each other. I make my  
OWN Food. I only watch TV BETWEEN 6am - 8am  
when everybody else is sleep because  
I try my best to stay AWAY from ANYBODY  
which is impossible to do but, I still try  
my best. COVID is SPREADING Fast in here.

I don't want to die in prison. I BEEN here  
9 yrs. three units/building are locked down  
BECAUSE COVID is in there unit. it's 120-150  
PRISONER'S in each unit. im Hoping AND Praying

that my unit is not next to get covid but, the same police that work the units with covid, work our unit too because they short on staff.

im taking A couple different kinds of medications for my high blood pressure and chest pains. I'll be 54 yrs Feb. 10<sup>th</sup>

I have extraordinary and compelling reasons. I have support from my union 1191 stating I'll have a job upon my release.

my 12 yr old son, really needs me, his mother have cancer, and between that and me being away, its starting to effect his grades and behavior. I don't want him leading into future trouble. I need to be there for him and the rest of my children.

I promise and give you my word, I'll work and be a positive, productive citizen in society.

I want to thank you for giving me the opportunity to explain my reason for not ~~taking~~ taking the vaccine shot in here.

I do want it, and need it but, I want to take it out there.

if this is stoping me from coming home, I will take it in here, but, I rather wait to take it my first day home.
